II. Questions from Vendors:

1. Reference Section X (Insurance Requirements) on page 6 of the solicitation: This bid requires Excess Umbrella Liability coverage of $10,000,000 each occurrence and $10,000,000 aggregate. Would the Southfield Public Schools accept $5,000,000 levels instead of $10,000,000? **See General Conditions New MM above.**
2. Reference Section C, #10 on page 10 of the solicitation: The bid requests documentation of sufficient financial resources in the form of a recent audited financial report. Potential bidders which are privately held companies typically refrain from providing audited financials in a public document, which could be subject to FOIA. Would the Southfield Public Schools accept other evidence of financial stability in lieu of audited financials? **See General Conditions New MM above.**
3. Reference the 2nd paragraph of page 13 regarding turnover fines: How many of these $1,000 turnover fines were levied in the past 12 months? **Zero** Is this enforced if we have turnover above a certain percentage or is it strictly for every staff turnover? **Excessive staff turnover**
4. Reference the training requirements on page 16: How many hours of training to certify under Southfield Public Schools Code of Conduct, Crisis Plan, and Security Camera Operations? **Approximately 2 hours.**
