The note shall, upon failure of the teacher to return to the system to teach, be payable in twenty (20) installments, beginning with October 1 of the year the teacher should have returned and continuing for the next twenty-two (22) months, excluding the intervening July and August. During such payments, there shall be added to each payment an amount to cover interest so that the effective rate of interest the Board receives will be six percent (6%) of the unpaid balance, effective January 1, of the year the sabbatical was actually used.
10. The teacher shall, after notifying the Board that he/she will not return, have the option of paying the note in full with no interest prior to September 1 of the school year he/she would have assumed his/her normal teaching station.
11. During the sabbatical leave the teacher shall not be allowed to hold any full time teaching position. However, this section shall not be construed to deny any teacher the right to fellowships, scholarships, grants-in-aid, or other scholastic stipends.

Should the teacher fail to request an extension of his/her leave, or, should his/her leave request be denied by the Board, the teacher shall be presumed to be returning to work. If the teacher subsequently fails to report to work, the teacher will be considered to have abandoned his/her position with the District. A teacher, upon return from leave, shall be restored to a position for which he/she is qualified and certified.

Teachers returning from a health leave or LTD must provide a statement from a physician certifying the teacher's fitness to return and fully assume the instructional responsibilities of the position.

- B. Subject to the policy and procedures developed and published by the building principal and faculty, a teacher may exclude a pupil from one (1) class when the grossness of the offense, persistence of the misbehavior, or the disruptive effect of the violation make the continued presence of the student in the classroom intolerable.

In such cases the teacher will furnish to the principal full written particulars of the incident, no later than the end of the school day, if at all possible, but no later than the morning of the following school day. The principal, within twenty-four (24) hours of receipt of such communication, shall communicate his/her disposition of the problem or indicate intent to act on the matter, in writing.

If the disposition results in a claim being paid by the Board's insurance carrier, any deductible required will be paid by the Board.

Such protection shall also apply to loss of personal property as long as:

1. Prior notice and written approval of the principal has been obtained for the use of said property in the building.

Step 2:

If the grievance is not resolved at Step 1, it shall be reduced to writing, clearly stating the claimed basis for the grievance and shall be signed by the teacher and presented to the supervisor in duplicate by the Association Representative within five (5) school days after the informal conference between the teacher and the supervisor, under Step 1 of this procedure.

Within five (5) school days after receiving the written grievance, the supervisor shall communicate his/her decision, in writing, together with the supporting reason to the Association.

Step 3:

Within five (5) school days after delivery of the supervisor's decision, the grievance may be appealed to the Superintendent, or his/her designee, by the Association. The appeal shall be in writing and shall set forth specifically the act or condition and the grounds on which the grievance is based and shall be accompanied by copies of previous decisions.

A hearing on such grievance may be conducted. In the event the superintendent's designee serving as hearing officer is also the person that is being grieved, the superintendent shall designate another designee to serve as a hearing officer for this grievance. Witnesses and cross-examinations may occur on the part of either party at such hearing. The decisions, in writing, together with the supporting reasons shall be made to the Association and to the supervisor within five (5) work days following the hearing on the matter.

Step 4:

If the grievance remains unresolved at the conclusion of the previous step, it may be submitted to binding arbitration at the request of the Association, provided written notice of the request for submission to arbitration is delivered to the Superintendent within ten (10) school days after the date of the response of the Superintendent at the previous step. Arbitration is not available to grievances that arise after the expiration of this agreement.

The arbitrator shall be selected through the American Arbitration Association in accordance with its rules. The arbitrator shall render his/her opinion only with respect to the particular grievance submitted to him/her and such opinion shall be binding upon both the Board and the Association.

The arbitrator's fee and expense shall be shared equally by the Board and Association.

- C. If a grievance arises from the alleged action of authority higher than the immediate supervisor, the grievance may be originally presented at the appropriate step of the grievance procedure. The supervisor shall receive a copy of the grievance from the Association Representative.
- D. Failure at any step of the grievance procedure to communicate the decision on a grievance within the specified time limits, shall permit lodging an appeal at the next

step of the procedure within the time which would have been allotted had the decision been given. Failure to comply with the time limits in any step of the grievance shall bar the grievance. Failure to file a grievance within the time specified shall bar the grievance. Failure to appeal a decision within the specified time limits shall be deemed an acceptance of the decision and shall bar future appeal. Time limits may be extended in any specific instance by mutual agreement, in writing.

- E. Nothing contained herein shall be construed to prevent any individual teacher from presenting a grievance and having the grievance adjusted without intervention of the Association, if the adjustment is not inconsistent with the terms of this Agreement, provided that the Association has been given the opportunity to be present at such adjustment of the grievance after Step 1.

In the event that the Association refuses to represent or withdraws representation of a grievance, such grievance shall not be subject to the final step of binding arbitration.

In cases of an individual teacher electing to represent himself/herself in a grievance, the term Association or Association Representative shall mean teacher.

- F. In all steps of this procedure, it is understood that the Association, except as provided in Section E above, the supervisor, and the Superintendent may request other persons to be present.
- G. The filing of a grievance shall in no way interfere with the right of the Board to proceed in carrying out its management responsibilities.
- H. If the Board and/or its representatives believe there has been a violation of a specific Article or Section of the Agreement, it may so notify and confer with the Association as to a resolution of this issue.
- I. It is understood that if any teacher files a charge with a governmental agency such as the Equal Employment Opportunity Commission, the Michigan Civil Rights Commission, the Michigan Employment Relations Commission, the Michigan Employment Security Commission, the Michigan Department of Labor Bureau of Workers' Disability, the Michigan Tenure Commission, and/or a similar state or federal agency, said charge shall not be subject to arbitration under this Agreement. It is

further understood that the employer reserves the right to set aside the findings and conclusions of any arbitration award where the employee files with the aforementioned governmental agencies on a charge previously determined by arbitration within a twelve (12) month period, except that if related issues were raised in the petition for arbitration, the findings and conclusions of said issues shall continue to be binding.

ARTICLE XVIII – CONTINUITY OF OPERATIONS

During the term of this Agreement the Association will not authorize, sanction, condone or acquiesce in nor will any members of the bargaining unit take part in any strike as defined in Michigan Public Act 336 of 1947 as amended by Michigan Public Act 112 of 1995. In the event of any strike in violation of this Agreement, the Association will post notices immediately at any or all schools affected advising that such strike is unlawful, in violation of this Agreement, and unauthorized by the Association; and the Association shall advise the striking teachers to return forthwith to their regular duties. The Association shall further take any and all other action reasonably within its power to bring the strike to an end. If the Association takes the foregoing steps and has not acted in violation of its obligations under this Article, it shall not be liable in any way for such strike.

ARTICLE XIX – DURATION

This Agreement shall be in effect commencing on March 28, 2018 and terminate of June 30, 2020.

During the duration of this Agreement the Board and the Association agree to reopen negotiations annually pertaining to all economic matters contained within this Agreement.
